

2010 ROSÉ

Elegant, multi-layered, savoury and dry, the fruit is crushed to the press and left on skins to macerate before gentle pressing. Delicate salmon pink with a lifted nose of fresh berries and chalky minerals, the savoury palate is textured and fleshy, with hints of watermelon, berries and allspice and leads to a clean, dry and refreshing finish. Underpinned throughout by its natural acidity and lingering minerality, this is a delicious wine to complement any Summer meal. 100% Cabernet Sauvignon.

Screwcap Closure.

WINEMAKERS: JOHN AND BELINDA THOMSON
