

Alive with a youthful freshness, this delicious wine has an inviting nose of floral overtones and hints of spice leading to a round and expressive mid palate. White stone fruit characteristics pervade the palate with our lively, natural acidity balanced by the supple, chalky texture inherent in Crawford River Rieslings.

Although these vines are now in their 11th year, we still feel a difference exists between these and our original plantings...perhaps we should add an 'er' to Young!
Screwcap.

DRY GROWN : HAND PICKED
WINEMAKERS: JOHN AND BELINDA THOMSON
Alc: 12.5%
